PUBLIC HEARING:

The City of Sebastopol wishes to foster a constructive, respectful, and open process through its meeting procedures. Members of the public have the right to speak on all public hearings under discussion by the Planning Commission including consent calendar items, after being properly recognized by the Chairperson. The Commission requests that members of the public refrain from expressions of approval or disapproval (clapping, booing, hissing) of statements of other participants, which discourages the expression of a range of viewpoints, as well as lengthening meetings. The following is the hearing process:

1. The Chairperson opens public hearing.
2. Presentation of Staff Report from the Planning Department.
3. Commission Questions of Staff.
4. Presentation by the Project Applicant, Questions of Applicant from Commissioners. Applicant presentations should generally be limited to approximately 10 minutes or less.
5. Comments from members of the public. At the commencement of the public hearing, if you wish to speak, please come to the podium, or if no podium is available, raise your hand. After recognition by the Chairperson, it is requested that you give your name and address before beginning your remarks. Comments should be addressed to the Commission as a body and not the public or any individual member, staff person, or applicant. This is an opportunity for members of the public to make statements regarding matters of concern about the agenda item, and not unrelated matters. The procedure does not provide for members of the public to conduct discussions with the applicant or Commission, unless specifically permitted by the Commission. Comments should be limited to 3 minutes or less.
6. The Chairperson may request that the applicant or staff respond to specific issues raised in the public comments.
7. The Chairperson closes the public hearing, but reserves the right to re-open the public hearing later that evening.
8. The Planning Commission deliberates on the project. Commissioners discuss the project; applicant or public comment is not permissible unless allowed by the Commission.
9. The Chairperson may re-open the public hearing to give the public or applicant the right to comment on the Planning Commission deliberation or bring forth new information to the Commission.
10. The Planning Commission takes action on the project by making one or more motions to approve, condition, deny, or continue (schedule further consideration for a future meeting) the matter.
11. Appeals may be filed of official actions upon filing of an appeal form and payment of the applicable appeal fee. Such appeals, including the appeal fee, must be filed within 5 working days of the action. Appeals will be heard by the City Council.

NOTES:

The Sebastopol Planning Commission consists of seven (7) citizens appointed by the City Council for four-year terms. The Commissioners are voluntary and serve without any pay as a public service to the community. The Commission acts within the requirements of State and Federal laws, and within adopted standards of the Sebastopol Zoning Ordinance, Subdivision Ordinance and other regulations, and the policy directives of the Sebastopol General Plan. Each of the local regulations was adopted by the City Council with public input after noticed public hearings. Actions on project applications occur within the context of these community laws and policies.

The Planning Commission considers a range of requests for development permits, appeals, and planning policy matters, and conducts public hearings of many of its agenda items. Due to the number, complexity and public

interest associated with some agenda items, meetings of the Commission can be lengthy. The Commission makes every effort to proceed as expeditiously as possible; your patience and understanding is appreciated.

Consent Calendar Items will be approved at one time without discussion unless a member of the public or the applicant wishes to speak regarding the item, or a Planning Commissioner requests discussion of the item. If such a request is made, that item will be heard after the balance of the Consent Calendar has been voted on.

No new items will be presented after 10:30 p.m., with the Planning Commission adjourning no later than 11:00 p.m. This time may be extended beyond 11:00 p.m. only by the affirmative vote of a majority of the Planning Commission.

STAFF REPORTS ON AGENDIZED ITEMS are available for review at the Planning Department during regular business hours and at the Sebastopol Library. Agenda materials are also posted on the City web site. Reports are generally issued and posted by 4 p.m. on the Thursday before the meeting. Interested persons are encouraged to review these reports, which evaluate proposals relative to adopted laws and policies.

LETTERS OR WRITTEN MATERIALS regarding agenda items may be submitted to the Planning Department prior to or at the Commission meeting; written materials submitted at least six days in advance of the meeting will be included in the Commission's meeting packet. The Commission requests that if possible, written materials be submitted to the Planning Department in time for the meeting packet which also allows them to be posted on the City web site; it is difficult for Commissioners to effectively review materials submitted during the meeting.

ACTION BY THE PLANNING COMMISSION on most matters occurs with the affirmative votes of a majority of members present.

DESIGN ASPECTS OF PROJECTS considered by the Planning Commission must also be approved by the Design Review Board. For more information on this process, contact the Planning Department staff.
