*\* For multiple applications (in most cases), only one supplies and/or mailing list preparation fee per application.*

**DEPOSIT ACCOUNT INFORMATION:** Rather than flat fees, some applications require a ‘Deposit’. The initial deposit amount is based on typical processing costs. However, each application is different and will experience different costs. The City staff and City consultant time, in addition to other permit processing costs, (i.e., legal advertisements and copying costs are charged against the application deposit). If charges exceed the initial deposit, the applicant will receive billing from the City’s Finance department. If at the end of the application process, charges are less than the deposit, the City Finance department will refund the remaining monies.
