In June 2015 the Council authorized issuance of a request for bids for the Skategarden Expansion project, which is intended to expand the existing park on the adjacent half-acre site. There were delays in finalizing plans and technical specifications, as well as weather-related issues, and a request for bids was issued in January 2016.

The Engineer's base estimate (without potential optional elements) for the job was \$535,000.

On February 22, 2016 at 3:00 p.m. bids were opened at the offices of the Public Works Department. Base bids were as follows:

M3 Integrated Services, Inc.	\$613,298
Siri Grading & Paving, Inc.	\$739,895
J.A. Gonsalves & Son Construction	\$669,699

The City has reviewed the bids received and determined that the M3 Integrated Services, Inc. bid is responsive, and is therefore recommended for acceptance.

The bid (and related separate costs for construction inspection services) is within the City's current project budget of \$675,403.
