Deadline to Apply: Wednesday, May 12, 2021 at 5:00 PM PST

The City of Sebastopol and the Public Works Department announce a Promotional Opportunity for the position of Senior Maintenance Worker - Sanitary Sewer System Operator.

Regional Government Services (RGS) and its staff is conducting this recruitment for the City of Sebastopol.

PURPOSE

Under direction, performs a variety of skilled journey level work and manual labor in the operations, maintenance, and repair of wastewater collection system facilities and to operate light and moderately heavy power-driven equipment; demonstrate a full understanding of all applicable policies and work methods.

CHARACTERISTICS

Senior Maintenance Worker-Sanitary Sewer System Operator is the specialist and lead worker level in the Maintenance Worker series. Positions in this classification are assigned to function either as a lead worker or as an expert in a specialized assignment. The former involves assignment as a lead worker on the maintenance crew performing routine maintenance and repair of wastewater collection systems, pump stations, or special projects related to pump stations. Specialized assignments include the following: administrative facilities documentation, responsibilities for Sanitation Sewer System maintenance and special projects related to pump station maintenance.

IDEAL CANDIDATE PROFILE

- Experience in collection system maintenance and operation
- Knowledgeable in current wastewater regulations with a proven track record of sewer reporting accuracy
- Excellent customer service skills
- Possess the ability to consistently meet competing demands and to quickly reorganize priorities to address changes in assignment priorities
- Have a proficiency in mathematical calculations
- Written and oral communication skills

EDUCATION and/or EXPERIENCE

Possession of a High School diploma or equivalency such as a general education degree (GED) or High School Equivalency certificate and three (3) years related experience and/or training in sewer collection system maintenance and operations, or equivalent combination of education and experience.

LICENSES, CERTIFICATES, REGISTRATIONS

Possession of the following licensures, certifications, and/or registrations is required (Failure to maintain the above standards may result in loss of employment):

- Possession of an appropriate valid, California driver's license operator's license and a satisfactory driving record to meet the City vehicle liability insurance driving standards.
- Possession of the following certifications are required within one (1) year of appointment to the position and must be renewed and maintained during the course of employment in the position:
 - Collection System Maintenance Grade 3 Certificate (C-3) from the California Water Environment Association (CWEA).
 - State of California Department of Health Services, Water Distribution Operator Grade 2 (D-2) within one year of appointment to the position.
 - California State Department of Health, Water Treatment Operator Grade 1 (T-1).
- Completion of Stormwater Best Management Practices Municipal Training from California State University, Sacramento.
- Utility Line Locator Certification within six (6) months of appointment to the position.
- Excavation Training for Competent Person Certification.
