City Manager McLaughlin presented the agenda item recommending the City Council hear from Jane Elias, Sonoma County Energy Independence Program (SCEIP) with the County of Sonoma to Allow Property Owners within the City limits to Finance Seismic Strengthening Improvements and Wildfire Safety Improvements through the Use of Contractual Assessments Provided by SCEIP.

Jane Elias presented a presentation to the City Council.

Mayor Slayter opened for questions.

Vice Mayor Glass commented as follows:

Discussed

Ms. Elias commented as follows:

- Discussed energy audits
- Do energy efficiency measures
- Discussed wildfire measures

Councilmember Gurney questioned if permits are required. Ms. Elias stated that for every improvement, even for those that do not typically require permits, permits are required.

Councilmember Gurney questioned if in a local jurisdiction where energy requirements of a local jurisdiction would come into play, questioned what would be the jurisdiction. Ms. Elias stated that they review the current energy Code Part 6 from the State but that if the City exceeds that, they will meet the City specifications.

Councilmember Gurney commented as follows:

- Discussed liens on property
- Discussed selling of property
- Questioned pay off of the lien

Ms. Elias commented as follows:

- Stated that depends on who would pay for it
- Stated it is a negotiation between the buyer and seller
- Discussed FHFA involvement in PACE financing, often times it is the buyer's lender that requests that it be paid off
- Commercial is a different story

Mayor Slayter commented as follows:

- Discussed windows
- Sebastopol is a local area
- Not State protected
- Not in interface of wildfire urban area
- Questioned requirement to meet that standard

Ms. Elias commented as follows:

- Legislation is specific
- Reference Cal Fires
- Legal Counsel looked at improvements
- List of what can be finance
- Meet wildland urban interface requirements
- Items that would make properties more resilient against wildfires would fall under this program

Mayor Slayter questioned if engineering or plan review is required.

Ms. Elias commented as follows:

- Depending on commercial or residential
- Commercial yes
- Residential – depends
- Discussed pre-spec plans
- People can finance cost of professional services into this

Mayor Slayter opened for public comment. There was none.

Council Deliberations:

Councilmember Gurney commented if the Council moves forward on this, it would be nice to have this program on the City web site to reference this program.

Mayor Slayter commented this would be a program that the new building official would need to get u to speed on. He also stated that protected buildings are also a sustainability measure.

Vice Mayor Glass moved and Councilmember Hinton seconded the motion to approve the resolution to Allow Property Owners within the City limits to Finance Seismic Strengthening Improvements and Wildfire Safety Improvements through the Use of Contractual Assessments Provided by SCEIP and approved amendment 1 to the agreement.

- Last round – applicant needed to change the balcony design for it to meet building codes

Councilmember Carnacchi commented as follows:

- Discussed third party plan check
- Questioned if there is a third party because we do not have a building inspector

City Manager McLaughlin commented as follows:

- Commented even if Mr. Schainblatt were still here, Code Source would likely be doing a significant amount of plan check
- Stated that has been the history with the former building official
- Past history even with building official

Vice Mayor Glass questioned if all permits that are outstanding are from us or from the State or Federal permits.

Director Svansson commented as follows:

- Flood plain permit is from the City
- Will also need Caltrans encroachment permit

The applicant commented they do not have the Caltrans permit yet. Noted there has been a delay from ongoing issues with City and Caltrans regarding frontage.

Mayor Slayter opened for public comment. There were none.

Council Deliberations:

Mayor Slayter commented this a reasonable and logical extension.

Councilmember Gurney moved and Vice Mayor Glass seconded the motion to Approve the Time Extension for Design Review approval for Hotel Sebastopol (6236, 6824-28 Depot Street).

VOTE:

Ayes: Councilmember Carnacchi, Gurney, Hinton, Vice Mayor Glass and Mayor Slayter

- Been in discussion with Caltrans
- Discussed mid-block cross walk
- Discussed McKinley Street crosswalk
- Discussed request to Caltrans (remove Depot Street crosswalk and provide signalized mid-block HAWK) if agree to removal of McKinley sidewalk
- Council not in agreement
- Item may return to Council
- Caltrans continues to discuss with City
- Concern with Depot Street City Council Action
- Caltrans still wants to remove Depot Street with no plan for mid-block crosswalk
- Concern and requires additional study
- Caltrans asking City to sign on to removal of Depot Street sidewalk
- Concern with City Council agreeing to that
- Discussed concern with changing of condition with no alternative
- Highly problematic from liability exposure standpoint
- Crosswalk belongs to Caltrans

Manager Mikus commented as follows:

- Discussed adding flashing light crosswalks to Highway 116 (Street Smart money)
- Discussed removal of crosswalks and redo to new standard RRFB
- Discussed list of remaining crosswalks that have not been changed
- Done 6 to date
- Planning on doing 4 in the next year
- Discussed two the following year and three more in the third year
- Discussed issues with Caltrans
- Caltrans is not going to work with the City
- We are at their whim when it comes to Depot Street and McKinley Street
- Discussed Burnett in CIP three years from now
- Discussed missing sidewalk sections in CIP

- Covert Lane in CIP and SCTA Regional Plan
- Added money for Fellers Lane and Fircrest
- W Trans given the City their budget for next phase – net cost \$11,450.00 after applying \$20,000 remaining unused in Phase 1 budget

Mayor Slayter opened for questions.

Mayor Slayter questioned how the Statewide average for collision rates is calculated.

Mr. Weinberger commented as follows:

- Discussed collision rates (inventory intersections, keep history in intersection and road basis)
- Collisions of a million vehicles entering an intersection
- Speed limits

Mayor Slayter commented as follows:

- Discussed curb ramps and RFP
- Never thought not started yet
- Took four years with Caltrans
- This project is what Caltrans wanted to have happen
- Not good experience dealing with Caltrans

Mayor Slayter commented as follows:

- Design all we want
- Getting it approved and started may take a while
- Discussed Covert Lane
- Discussed traffic circle
- 100 feet of minimum diameter for traffic circle
- Not a whole lot more than 100 feet now to get circle there
- Possibility does exist though

Mr. Weinberger commented as follows:

- 100 feet on low side for this location
- Go into planter area
- ICE study would show right of way line and improvements
- Can this be designed in existing right of way

Mayor Slayter commented as follows:

- Discussed sidewalk

- Where is property line for private property
- In relation to roadway

Manager Mikus commented that it looks to be at the pavement edge

Councilmember Carnacchi comments as follows:

- Burnett and South Main Street
- Collision data - how many had pedestrians involved

Mr. Nye commented on pedestrian vehicle collision and predominate collisions were sideswipes. Councilmember Carnacchi questioned if one of those sidewalks should be eliminated.

Mr. Weinberger commented as follows:

- Discussed side swipes
- Discussed having had three lanes
- Discussed merger of lane
- Discussed bike lane project

Councilmember Carnacchi commented that he is not seeing South Main and Burnett on list.

Manager Mikus commented as follows:

- In ground light sidewalks slated to be fixed.
- Discussed visibility issues
- Discussed direct impact on pedestrian safety

Councilmember Carnacchi commented as follows:

- Is it possible to get data
- Helpful in future
- Helpful to have figures
- Easier to follow
- Need to have in packet

Mr. Weinberger stated W Trans will be finalizing the information into one document after tonight's meeting.

Councilmember Carnacchi commented as follows:

- Rebound off Caltrans comments
- Have agreed to come to Council meeting and do power point presentation on proposal for Depot and Petaluma Avenue and Bodega ad Petaluma Avenue as well
- Question is what date they can attend
- No date confirmed
- Good opportunity to ask questions of Caltrans directly
- Coming to agenda review

Councilmember Gurney commented as follows:

- Discussed statistics for how accidents were calculated
- Is Sebastopol considered to be Urban suburban or rural
- How categories

Mr. Weinberger stated Sebastopol is suburban.

Councilmember Gurney commented as follows:

- Interested in intersection (Burnett)
- With her Office at Petaluma and Burnett Street, went through intersection every day
- If we do any improvements, need to be on northerly crosswalk
- Is Caltrans going to be willing to stop those left-hand turners when a pedestrian presses button

Mr. Weinberger commented as follows:

- Flashing yellow lights
- Pedestrian warns traffic of crossing
- Not a traffic control device
- Warning device
- Discussed vehicle code- yield to pedestrian

- History with building these – cost twice as much as RRFB

Vice Mayor Glass commented as follows:

- Has anyone ever studied how much it costs Caltrans to jerk around local jurisdictions.
- Discussed staff time
- Discussed many meetings

Mayor Slayter opened for public comment. There were none.

Council Deliberations:

Mayor Slayter commented as follows:

- South Main and Burnett on top of list of issues
- Could design there to encompass one parking space and create parklet as part of design

- Delightful amenity for downtown
- Add additional space
- View corridor

Councilmember Hinton commented as follows:

- When look at planning from budget sub-committee, guessing what priorities were
- In favor of changing around next three years planning
- Bring crosswalks above threshold – reshuffle in plan
- Re-prioritize projects
- Prudent to take some of the ones that are in the plan and make them a lower priority

Manager Mikus commented as follows:

- Discussed obligation to Bodega corridor
- Have to allocate funds there
- First chance to have money available for Burnett crosswalk

Councilmember Hinton questioned if we are obligated.

Manager Mikus commented the next plan talks of the Bodega corridor.

Councilmember Gurney stated those funds are not movable and are committee there.

City Manager McLaughlin stated that some of those items are subject to discussion with Caltrans.

Manager Mikus stated Covert Lane has value to proceed.

Mayor Slayter commented that is correct from a traffic movement segment – get study done and have preliminary design done for grant funding and happy this came in under budget.

Councilmember Gurney commented as follows:

- Covert Lane and Gravenstein North is critical
- Our community is divided by Covert, it separates neighborhoods
- Rest driving through or riding or cycling
- Discussed hillside coming down without sidewalk – isolating north end of town
- Net of \$11000 to get W Trans to do further workup and get to specific recommendations and options
- Be time to prioritize depending on recommendations
- Interested in all of the items on page 9 of staff report
- Hesitation with Gravenstein Highway and Fircrest Avenue
- Page 2 is the same list
- Not tell what the priority is right now until we get the work done

- Useful to have all recommendations
- Building something based on specific business and not something of pattern in community (Fellers Lane)
- Discussed sidewalks on either side of location
- Good with studying it
- Get a lot of value of next \$11000

Councilmember Gurney moved and Vice Mayor Glass seconded the motion to Receive the report for Phase 1 on the SR 116 Traffic Corridor Safety Study; and approve the Proposed Actions for Phase 2. Item 2, 4, 5, 6, 7, and 8 with added expenditure of \$11,500
