Subject: Homeless RV space
Date: Sunday, October 31, 2021 8:35:56 PM

I am a long term and generational resident of Sebastopol. I grew up here as did my Dad and all 5 of his brothers. I am all for compassionate care of the homeless population on Morris St. At least these folks are no longer sleeping on the ground. There are as many reasons for homelessness as there are homeless people. The rents here are so out of control. I vote yes.
