SAVS Safe Parking Villages

A village that combines safe car parking & RV parking to create a cost effective and dignified temporary supportive housing for the homeless.

+

24/7 Safe Parking

~20% of unsheltered people live in their cars, a nervous life for them, and an expensive enforcement problem.

RV Parking

RVs are an affordable housing solution – let's get RVs off the streets and into a legal, safe space.

SAVS Village Proposal
