**INTRODUCTION/PURPOSE:**

This item is to request City Council Discuss, Make Recommendations/Changes and Approve the 2022 Calendar Year City Council and City Staff Committee Assignments.

**BACKGROUND:**

Each year, the City Council makes appointments to the various committees listed on the attached roster. There are four different types of committee that include: 1) City membership in a separate agency where the representative is a member of the governing board; 2) the City representative is a member of an advisory committee that makes recommendations to another public agency; 3) a Council member or Staff member is appointed as a liaison to a special committee; and 4) other miscellaneous committees.

**DISCUSSION:**

Each year, the City Council and City staff review the current assignments and make recommendations to assignments or to request removal of committees if no longer needed. Staff has reviewed the current committee assignments and is proposing the changes as listed on the attachment and highlighted in yellow.

Recently at the August 3<sup>rd</sup>, September 7<sup>th</sup> and September 21<sup>st</sup> City Council meetings, the Council discussed committees created by the Sebastopol City Council itself which serve direct City needs and priorities. Based on those discussion, the list was updated and is attached.

It is within the City Council’s discretion tonight to assess the continued need for these committees or remove those no longer needed to assist in meeting the goals and objectives of the Council in an effective and efficient manner.

Staff has also included a list of sub-committees as created by City Boards, Committees and Commission for your information for discussion to make recommendations to assignments or to request removal of committees if no longer needed.

**CITY COUNCIL AND/OR GENERAL PLAN GOALS:**

- Goal 5 - Provide Open and Responsive Municipal Government Leadership
- 5.1.4 - Enhance the use of the City of Sebastopol Committees, Commission and Board.

**PUBLIC COMMENT:**

As of the writing of this staff report, the City has not received any public comment. However, if public comment is received from interested parties following the publication and distribution of this staff report, it will be provided to the City Council as supplemental materials before or at the meeting. In addition, public comments may be offered during the public comment portion of the agenda item.

**PUBLIC NOTICE:**

This item was noticed in accordance with the Ralph M. Brown Act and was available for public viewing and review at least 72 hours prior to scheduled meeting date.

**FISCAL IMPACT:**

There is no impact with this action tonight.

**RECOMMENDATION:** That the City Council Discuss, make recommendations to assignments or request removal of committees if no longer needed for the Calendar Year 2022 City Council and City Staff Committee Assignments
